

[Things We Couldn't Say](#) (Book) - the true story of Diet [pronounced Deet] Eman, a young Dutch woman who, with her fiancé, Hein Sietsma, risked everything to rescue Jews imperiled by Nazi persecution in occupied Holland during World War II. Throughout the years that Diet and Hein aided the Resistance - work that would cost Diet her freedom and Hein his life - their courageous effort ultimately saved the lives of hundreds of Dutch Jews. This book is Diet Eman's account of that tumultuous period.

The first-person narrative vividly captures the events of her brave saga - from her initial engagement with Hein in the Resistance operation, to her eventual arrest and imprisonment at the Vught concentration camp, to the final grim toll of the war that devastated all of Europe. Diary entries that Diet and Hein logged during the war as well as excerpts from personal letters that passed between the two young lovers detail their thoughts and emotions during those years.

Diet Eman's *Things We Couldn't Say* is an unforgettable story of heroism, faith, and - above all - love. It is also one of the great Christian stories of the twentieth century - the story of two people whose faith compelled them to stand up to the most sinister evil their generation has ever witnessed.

[Hidden In Silence](#) (DVD) - Przemysl, Poland, WWII. Germany emerges victorious over the Russians, and the city comes under Nazi control. The Jewish are sent to the ghettos. While some stand silent, Catholic teenager Stefania Podgorska chooses the role of a savior and sneaks 13 Jews into her attic. Every day, she risks detection--and immediate execution--by smuggling food and water to the silent group living above her. And when two German nurses are assigned to her living quarters, the chances of discovery become dangerously high. This is the true story of a young woman's selfless commitment and unwavering resolve in the face of war.

[Irena Sendler: Bringing Life to Children of the Holocaust](#) (Book) - Irena Sendler was born into a Catholic family in Poland in 1910. Throughout the German occupation in World War II, Irena worked tirelessly to help save Poland's Jews from the Nazi horror. Irena saved at least 2,500 Jewish children from certain death during the Holocaust. By the time of her death in 2008, Irena had been honored by the governments of Poland and Israel, Pope John Paul II, and many of those she had rescued.

[The Courageous Heart of Irena Sendler](#) (DVD) – The story of Irena Sendler, a social worker who was part of the Polish underground during World War II and was arrested by the Nazis for saving the lives of nearly 2,500 Jewish children by smuggling them out of the Warsaw ghetto.

[Hidden Heroes](#) (DVD) - The rescue of Jews in Nazi-occupied Holland is a story of unimaginable courage and faith. As told by those who lived through the Nazi terror, this evocative documentary recounts what it was like for Dutch Jews to face systematic isolation, persecution...and elimination. Our subjects were mere children at the time. Children who witnessed their family and friends being arrested and dragged away — and, for most, never to be seen again. Children for whom unbearable pain and loss was cruelly compressed into a single experience of overwhelming terror.

Hitler's plan to eliminate an entire race of people may have succeeded if not for those who saw the lie in his quest for perfection, those willing to stand against the Nazi evil—the Dutch

resistance. They were ordinary people willing to risk their lives and the lives of their family to shelter and save Dutch Jews. These were Holland's Hidden Heroes.

[The Reckoning: Remembering the Dutch Resistance](#) (DVD) - *The Reckoning: Remembering the Dutch Resistance* is the international award-winning documentary that captures the compelling story and eyewitness account of six survivors in war-torn Netherlands during World War II. With the revelation of Hitler's "Final Solution" and the uncertainty of liberation, it reveals the intensely human aspect of the Dutch struggle against Nazi tyranny.

[Defiance](#) (Book) – The suspenseful and inspiring story of Jewish partisans who fought the Germans from their base in the Nalibocka Forest in Belorussia. Their leader, Tuvia Bielski, was an uneducated man who--though he had lost his parents, brothers and wife to the Germans--put efforts to preserve the lives of Jews above revenge. The partisans worked to rescue Jews in hiding and to smuggle Jews out of nearby ghettos, but also to punish Jewish collaborators. By the end of the war, Bielski had gathered more than 1200 Jews of all ages into the forest. That they suffered a loss of "only" 5% is remarkable, given that their refuge was virtually surrounded by Germans. Bielski died in 1987 and was buried in Jerusalem in a ceremony reserved for Israel's national heroes.

[The Bielski Brothers](#) (Book)- In 1941, three brothers witnessed their parents and two other siblings being led away to their eventual murders. It was a grim scene that would, of course, be repeated endlessly throughout the war. Instead of running or giving in to despair, these brothers -- Tuvia, Zus, and Asael Bielski -- fought back, waging a guerrilla war of wits against the Nazis.

By using their intimate knowledge of the dense forests surrounding the Belarusan towns of Novogrudok and Lida, the Bielskis evaded the Nazis and established a hidden base camp, then set about convincing other Jews to join their ranks. As more and more Jews arrived each day, a robust community began to emerge, a "Jerusalem in the woods."

After two and a half years in the woods, in July 1944, the Bielskis learned that the Germans, overrun by the Red Army, were retreating back toward Berlin. More than one thousand Bielski Jews emerged -- alive -- on that final, triumphant exit from the woods.

[Defiance](#) (DVD) - Daniel Craig stars in this action-packed epic of family honor, vengeance and salvation. *Defiance* is a riveting adventure that showcases the extraordinary true story of the Bielski brothers, simple farmers - outnumbered and outgunned - who turned a group of war refugees into powerful freedom fighters. Their inspirational story is a true testament to the human spirit.

[The Hiding Place](#) (DVD) – Corrie and Betsy Ten Boom had been sent to the camp for helping the Jews. Christ's Spirit and words were their guide; it was His persecuted people they tried to

save—at the risk of their own lives; it was His strength that sustained them through times of profound horror.

[Return To The Hiding Place](#) (Book)- Unspeakable faith in the face of Nazi persecution didn't come easily for 18-year-old Dutch student Hans Poley. But after months in hiding at Corrie ten Boom's home, Poley found an inner peace and freedom that defied even the Nazi peril. Composed of his wartime journals and letters, the book also includes exclusive photos documenting Poley's life in hiding.

[Return To The Hiding Place](#) (Movie) - When Corrie ten Boom realizes the rising Nazi empire will swallow Holland and create the holocaust of every innocent Jew in secret death-camps, she faces the deadly threat of these "Death-Skull Storm Troopers" with a surprising remedy: an army comprised of untrained teenagers.

Around that same time, brilliant young physics student, Hans Poley, chooses not to join the Nazi party. To protect him, his parents force him into hiding in the home of Corrie ten Boom. While in hiding, he witnesses the atrocities toward the suffering Jews and decides he must do something.

Hans is drawn by resistance fighter, Piet Hartog, and love of Piet's life - Aty van Woerden (Corrie ten Boom's niece) into an intricate web of espionage and clandestine activities centered in the famous Hiding Place.

As part of Corrie ten Boom's army of untrained teenagers, Hans, Piet, and their friends navigate a deadly labyrinth of challenges to rescue the Jewish people in their modern-day, panicked exodus from death while embarking on a nonstop, action-packed hunt with the underground involving Gestapo hijacks, daring rescues, codes in windswept old windmills, and stunning miracles in one of history's most famous dramas. Climaxing in the true, breath-taking rescue of an entire orphanage of Jewish children marked for mass execution by Hitler's assassins, audiences will both cheer and weep at this exciting, sobering tale of Hans and the youth movement that dared to resist one of History's cruelest tyrants.

[Perlasca: The Courage Of A Just Man](#) (DVD) - The true story of Giorgio Perlasca, an Italian who risked his life to save Jews in Second World War Hungary. Though Perlasca (Zingaretti) was initially a supporter of Italian fascism and fought for Mussolini in East Africa during the Italo-Abyssinian War, he became increasingly disenchanted with the doctrine as it merged with Hitler's anti-Semitic vision. In 1944, while based in Budapest for the purposes of business, Perlasca was confronted directly with the horror of the Holocaust and, unlike so many others, didn't turn a blind eye but did whatever he could to save lives.

[N0.4 Street of Our Lady](#) (DVD) - If your neighbors were being hunted down and came to your door begging for help, would you risk your life to save theirs?
